Task Force on Time to Completion Open Hearing #1 – November 3

Meeting with Assiniboine Credit Union and GSA Lawyer – November 4

Day of Action for Education – November 5

GSA Internal Development and Review Committee – November 13

UMSU Council – November 13

Faculty Council of Graduate Studies – November 14

UMSU Health and Dental Plan – November 14

CFS-MB Provincial Executive – November 14

CFS-MB Manitoba Student Aid Preparation – November 17

Board of Governors – November 18

Office Hours

My office hours are held from 2pm to 4pm on Mondays, and I am open to meeting at other times by appointment. Unfortunately I missed my office hours on November 3 because of the Task Force on Time to Completion hearing and November 10 because I was away from Winnipeg relaxing.

Other Information

Time-to-Completion Task Force

There were a closed hearing and open hearing held, as well written submissions are still be accepted. Unfortunately, the hearings at Bannatyne were canceled due to lack of interest in presenting so those who planned on presenting were told to make written submissions. The November task force meeting was canceled as Dr. Doering is out of town and the next meeting will not be held until December.

Day of Action

I attended the November 5 Day of Action on Post Secondary Education, along with other members of the GSA Executive. Rallies were held at the U of M outside the

administration building and over the provincial legislature. Turn out was very good for both rallies.

Board of Governors

The Board of Governors met on November 18 after a two month hiatus. Of interest at the meeting was a tour for board members of the new Aboriginal House, as well, discussions about the economic crisis and impacts on U of M's investments and pension plans.

Faculty Council of Graduate Studies

The Faculty Council of Graduate Studies met on November 14 for the first time since May. Of interest at the meeting is ongoing movement towards the establishment of a Ph.D. In Native Studies at the U of M.

Re: Monthly Report

Meetings attended and missed

Executive Committee meeting – November 20, 24, 2008

Finance Committee meeting – Oct.23, Nov. 25, 2008

Office hours held

I held my office hours on Fridays from 2pm-4pm this month.

Other information

It has been half of a year since May when our new budget year started. All the executives reviewed our budget for this year and made changes on it. The review committee started their work to review the executives. No matter what the result will be, we can tell that all the executives work harder than ever before to make our Graduate Students' Association a better place for graduate students. We actively participate in Fall convocation, UM President' installation and banquet. All the senators attended all the university's meetings to make our graduate students' voice heard. Of course, because of the time limit and

busy study for the executives, if there is anything you are not satisfied with, we welcome your sincere advice.

Senate Executive Meeting – November 19, 2008

GSA Executive Meeting – November 20, 2008

GSA Executive Meeting – November 24, 2008

Academic Series

Dates have been set for January, February and March for events. The January event will look to examine issues pertaining to the environment, with a special focus on forests. The February date will present issues in health and health care, with a focus on breast cancer. The March event will feature Professor Eugene Holland from Ohio State University and will explore issues pertaining to capitalism.

Thursday, February 19 is the Day of Pink. The GSA will be participating in this international day to bring attention to and stop the presence of bullying, discrimination and homophobia on campuses.

Advocacy

Strictly confidential.

For general questions or information concerning advocacy, or to book an appointment, please e-mail vpa@umgsa.ca. To book an appointment by phone, please call 474-9181. Students are also welcome to stop in during office hours, listed below.

Report

From: Meaghan Labine – HSGSA President
To: GSA Council
Date: November 26, 2008
Re: Monthly Report

Meetings Attended:

GSA executive meeting – Nov 20th
HSGSA executive meeting – Nov 18th
HSGSA council meeting – Nov 13th

Meetings Missed:

FGS Council – Nov 14th

The HSGSA over the last month has been working on various projects over the last month including; Time to Completion Report, Curling league, Rights and Responsibilities workshop and our Christmas Social.

Time to completion report: To address the issue of how alteration of the FGS's policies regarding time to completion would impact Health Sciences students, the HSGSA drafted a report detailing the major areas that impede a student's graduation as well as possible suggestions to remedy the problem. The final report is under revision, and will be sent to the FGS Time to Completion Task Force by Wednesday.

Curling League – Two months ago the HSGSA began organizing the HSGSA curling league, just for recreational fun. To our surprise, around 60 students have signed up to participate, and we are at max capacity. The games will start on January 24th on Saturday afternoons, since that was the time most grad students said they would be available and there will be six in total with the first game as a lesson. Per student total cost is \$40 and the HSGSA will cover half.

Rights and Responsibilities workshop – Our R&R workshop had great success with roughly 30 students showing up to participate. It shows that there is an obvious need at our campus to hold this workshop at the beginning of each semester, therefore we are planning one again for January.

Christmas Social – The HSGSA is having our Christmas social on Nov 27th in rm 204 Brodie at 4:30pm for all graduate students. We are providing free food, beverages and small door prizes, and all we ask is that students bring a non-perishable food item for Winnipeg Harvest.

Other areas:

The Faculty of Medicine approached the HSGSA to post temporary jobs for graduate students at the Health Sciences, and I received a flood of CVs for the job. We will look into the potential of trying to find more temporary jobs for students at HSC.

Our webpage is still under construction, and we are working towards getting it up-dated.
