Frequently Asked Questions

1. When is the deadline for the UMGSA's term? What happens if I submit my current application after the deadline?

The deadline is April 17th. If you submit your application after the deadline, your application will be considered by the new Executive in the new budget year and you will lose your right to use current year's grant.

2. How much funding is available to students? What if I finish my current program and start a new one in a UMGSA term?

A maximum of \$750 per student per UMGSA term is available to all graduate students. This is regardless of your program type or length.

3. What if I have to submit my original receipts to another funding source?

We encourage you to submit photocopies of all supporting documents, but the application form must be the original signed version. When photocopying receipts, try to fit as many as possible on each page (double-sided, if possible). Remember that since the per diem rate includes food and local transportation costs, these receipts should not be included in your application.

4. How long after the conference date can I submit my application?

You must submit your application within 4 months after the final day of the conference. If the conference date is close to the UMGSA fiscal year end, it is suggested to submit your application before the term end date (April 17).

5. How long after graduation can I still submit my application?

You have a maximum of 4 months after your convocation day to attend and submit your application. This allows you to present your final findings and results at a conference.

6. What if I pay the expenses in another currency?

Use the Bank of Canada exchange rates (<https://www.bankofcanada.ca/rates/exchange/>) from the day of the expense, or the day of the conference, to calculate your expenses in Canadian dollars. Print out a copy of the exchange rate used, and include it in the supporting documents of your application.

7. What if Winnipeg is not my city of residence?

Please specify your city of residence in the comment section of page two of the Application Form.

8. How long will it take for the UMGSA to review my application?

Between 4 to 6 weeks.

9. How do I find out the status of my application?

Feel free to email the Vice-President Internal (vpi@umgsa.org) directly and request an update.

10. How will you contact me after my application has been processed?

We normally email you unless you specify and request otherwise.

11. Can you direct deposit the grant to my personal, department, or supervisor's account?

No. The UMGSA will issue a cheque only in student's name.

12. Can someone else pick up my cheque?

Yes. You need to email us in advance explaining why and who will be picking up your cheque. They will be required to provide ID. In all cases, one piece of valid official ID is required at the time of pick up.

When we email you to come and pick up the cheque, you will be given the option to have it mailed to the interdepartmental address you prefer. In extenuating circumstances (such as currently doing research out of province for an extended period) we can send the cheque via Canada Post if you request it.

Article IV: Grants and Awards

I. Conference Grants

The UMGSA, through the Finance Committee, will make funds available to University of Manitoba graduate students wishing to attend or present at conferences who do not have adequate resources to do so. Conferences must advance the student's course of study. Applications will be accepted throughout the year and processed by the Finance Committee on a monthly basis. Except in extenuating circumstances, the Finance Committee decisions can be appealed to a maximum of two times. The resolution of any unresolved appeals that remain at the end of an executive term will become the responsibility of the new executive.
