12.5. Discussion of Indigenous Education and Programming: Going forward with the UMGSA commitment to reconciliation, it is important for us as a Council to consider what actions we will take as a collective towards this effort. Beyond the theoretical platitudes of the reconciliation movement, we as the UMGSA must generate action items based on the desires of our individual departmental associations to honor the spirit of the Truth and Reconciliation Commission. Having reviewed the Calls to Action prior to the meeting (Appendix IX), we bring the question to the floor:

What can we as the UMGSA do to further reconciliation for our members in relation to the Calls to Action?

- The Services & Support Committee is collaborating with the Indigenous Ad-Hoc Committee to create mission statements that have an Indigenous angle.
- The Sustainability Committee will work with the Indigenous Ad-Hoc Committee to review language in the Sustainability Strategy.
- Create a section in the Bylaws to talk about our dedication to reconciliation.
- Host workshops to help students get educated about reconciliation.
- Examine what other campuses, like Simon Fraser University, have done.
- Partner with the International Centre to see if their language partnership program can incorporate Indigenous languages.
- Partner with Student Life/Engagement in creating Alternative Reading Week programming that engages with Indigenous communities in Winnipeg and beyond.
- Promote events relating to Indigenous issues in our events calendar.
- Collaborate with and support the Rising Up conference.
- Host workshops to teach graduate students how to incorporate Indigenous knowledge and values into their work and curriculums.
- Advocate for the rights of Indigenous students to have their Indigenous name on their student card.

12.6. UMGSA Debit Card and Corresponding Account: This request is following discussion with the UMGSA Executive, office staff and the UMGSA Finance Committee. Current practice requires an Executive to pay out of pocket for UMGSA expenses. Based on recommendations from the Finance Committee, we are seeking approval to open an account that will hold a very limited budget. This account will have an associated debit card and will be a single signing authority account. Once opened, but prior to issuing the debit card, a usage policy will be crafted by the UMGSA Bylaws and Policy Committee that will include recommendations from the

Finance Committee regarding account and debit card usage. Those considerations include:

- Strict sign-out protocol, including expense estimates.
- Daily purchasing cap and no cash withdrawal.
- Monthly transaction audit to be completed by the Finance Committee.

MOTION: BIRT the UMGSA Council approves the request to pursue a single-signing authority event expense account and associated debit card.

Political Studies and Public Administration/Mathematics (Carried).
