If they want to access the St. Boniface gym, they must pay extra. This is why HSGSA is providing a partial subsidy to students at the St. Boniface campus who choose to purchase the extra membership.
- iii. The HSGSA is planning to have a multicultural event. Students of different cultures and communities can get together and wear their traditional attire if they wish and bring food from their cultures.

Councillors/ student may encourage their respective department associations to consider using the monetary support to provide their students subscriptions or subsidies for writing assistant software. If you are using Grammarly or similar programs to complete assignments, please be sure your usage is aligned with the university's [academic integrity policies](#).
- iv. To ensure your department can benefit from these grants it is important to confirm that your internal GSA is active and has a representative on the
